

Workshop Name: Story making

Team members: Birute, Sofo, Ramune, Alexandre, Fernando, Celma and Blandina.

Goal and Objective: To develop creativity, team work, time management and presentation skills

Summary of activity: Each group has to create a story based on the words they choose and on the pictures they are given.

Materials needed: Paper, markers/pens, pictures

Step by Step of energizer: Body percussion 3,5,7,9:

Clap your hands once (count one)

Tap on the chest one hand at the time (count two, three)

Repeat and add tapping on thighs one at the time (count one, two, three, four, five)

Repeat and add tapping each buttock (count one, two, three, four, five, six seven,)

Repeat and add stomping each foot at the time (count one, two, three, four, five, six, seven, eight, nine)

After this, the facilitator will show some numbers which the group has to perform.

Step by step of main activity: Each person of the group is asked to write down any word. After that, they will be given some random pictures. The group has to write a story using the words and contexting with the pictures. Finally, the different groups will tell the story to the audience.

Reflection questions: Did the obligation to use specific words and pictures influence your creativity?

Did you feel connected to the group?

Were you active during the task?
